FUND NAME CHANGE/REVISED INVESTMENT STRATEGY

The Alger Family of Funds announces the following changes to the Alger International Growth Fund and the Alger Global Growth Fund that will be effective on or about August 30, 2018:

- Alger International Growth Fund will be renamed to Alger International Focus Fund.
- Alger Global Growth Fund will be renamed to Alger Global Focus Fund.

Both the Alger International Focus Fund and the Alger Global Focus Fund invest in companies which it believes are attractively valued, high quality growth companies with definable strategic advantages/moat and competitive positioning that offer strong earnings visibility and sustainability. The team focuses on analyzing growth trajectories and identifying catalysts of future growth for companies that are in a positive earnings revision cycle. The Alger International Focus Fund and the Alger Global Focus Fund are all-cap, all-country opportunistic focus funds which generally hold less than 50 holdings.

The fund codes, CUSIPs and symbols will remain the same.
