Why is Invesco Developing Markets Fund reopening to all investors?

Over the past five years, Invesco has continuously and carefully evaluated the changing market environment and the level of the fund's AUM (currently \$2.1 billion as of Dec. 31, 2015), and believes that reopening the fund at the present time is in the best interest of shareholders.

Fund management will continue to monitor market conditions and opportunities affecting ongoing capacity. If conditions warrant, the team may choose to once again close the fund at a future date.
