### Why is the Invesco Select Companies Fund reopening to all investors?

Over several years, Invesco has continuously and carefully evaluated the changing market environment and the level of the fund's AUM (currently \$579.3 million as of June 30, 2016), and believes that reopening the fund at the present time is in the best interest of shareholders.

Fund management will continue to monitor market conditions and opportunities affecting ongoing capacity. If conditions warrant, the team may choose to once again close the fund at a future date.
