

## Enhanced Order Queue Features Now Available on Liberty - Navigation and Sort Options

Effective August 18, the Liberty Trading Order Queue features enhanced Navigation and Sort Options.

Please review the consolidated [Liberty Trading User Guide](#) to learn more about these features.

**Navigation:** From the Trading tab, select the Order Queue link to display a list of all open orders. Equity orders will be displayed in descending order based on the time they were last updated. (page 42)

**Sort Options:** Order Queue can now be sorted on a single value by clicking on a column. To sort on multiple values, select the appropriate combination from the Sort dropdown (page 46)

For your ease of reference, all Liberty User Guides are now available on Liberty and at <http://riaconnection.trustamerica.com/> under Quick Links to the right of our RIAconnection web page.

Please let your relationship manager know if you have questions or would like a demonstration of this or any Liberty features.
