

Enhanced Performance and Income Tab Options in Liberty

TCA allows you to customize what your investors see as part of the Performance and Income tab in Liberty. You have always been able to control if the investor sees performance or not, but now we also offer the ability to suppress the income dollar amount from appearing in the tab.

Your choices are as follows:

Display Performance but do not include the performance value in the tab:

Overview*
Net Assets
\$181,561

Holdings
Securities 95% Cash 5%

Performance
View performance and income

Transactions
View transactions, actions and transfers

About your account
Account Information, Documents & Settings
