

## Safety and Soundness 2017 Flyer

---

Trust Company of America continues to be a financially strong and well-capitalized company, with built-in safety features designed to protect you and your clients.

We recently updated our Safety & Soundness flyer for 2017.

Feel free to share this updated flyer with your staff, representatives and clients. It's designed to answer any questions that may arise concerning TCA's financial soundness, regulatory oversight and insurance protections.

Please contact your relationship manager if you want to receive physical copies of the flyer.
